Taxi Driver in Southeast Asia Hears About the Bible for the First Time

This month Andre Provost and I have been in Southeast Asia ministering to people who have never had an opportunity to hear about Christ.

We just visited one Asian nation where we're not free to openly preach the Gospel. I asked you to please pray that God would lead us to "people of peace" and God was faithful to lead us to Truong and Linda. They're English teachers who helped us facilitate Biblical storytelling groups in their Country. Please continue to pray for God to lead us to more receptive people who can change their community.

We shared Bible stories with many groups of English students and have a lot of great testimonies but here's

a story of a person who God had prepared his heart to hear:

Upon entering a taxi we discovered the driver spoke English so I shared the story of David and Goliath with him. We told him the story came from the most popular book of all time. He was very intrigued about our story. Then we asked him what he liked about the story.

He replied that it reminded him of a similar story about people being led out of captivity. He had watched the movie, "The Prince of Egypt" 3 times. We told him that story also came from the same book.

He asked, "What's the name of this book?"

"This most read book is called the Bible", we replied.

Then he asked, "How can I read this book?"

We told him how to get a Bible and as we begin to share more Good News with him he was very thankful.

It's so sad. Out of over 7 billion people in the World, there are over 3 billion people just like him who don't know what a Bible is. How can they follow Jesus Christ if they have never even heard of Him before?

I'm Writing from Thailand: We are in a place that has over 400,000 Isan people in it.

Do you know how many Christians or churches are in this place?

None, that has been recorded in the [Estar Christian presence map](#).

Here's what we're doing (Luke 10 strategy) to reach these previously unreached people:

- We pray for God to lead us to a person of peace or a sick person who needs healing.
- Enter their home & share Bible stories as they hear about Christ for the first time in their lives.
- Believe for the person to repent and be baptized and filled with the Holy Spirit.
- Give them a Bible and begin discipling them to not only hear, but to obey and share Christ.

Please take the time to [view our Facebook photos](#) and if you are not receiving our weekly e-mail news please sign up on our website at www.gregnemer.org

We want to let you know how much we appreciate you helping to reach the unreached in Asia.

We can't stress enough how fortunate we are to have you as a team member.

*Thank you so much!
Obeying Christ Together,
